meal allowance
The meal allowance on business travel is INR 1,500 per day for domestic trips. Both documents agree on this:
The Employee Handbook says: "Daily meal allowance on business travel is INR 1,500 for domestic trips." [handbook.pdf p.2]
The Employee FAQ says: "What is the meal allowance on travel? INR 1,500 per day for domestic trips." [faq.pdf p.2]
I could not find a meal allowance for international trips in the uploaded documents.

Here is what the documents say about harassment:
Policy: Harassment of any kind is prohibited, and complaints go to the Internal Committee [policy.pdf p.2].
FAQ: Harassment can be reported to the Internal Committee, in confidence [faq.pdf p.2].
The sources agree on this point. The documents don't give more detail, such as the complaint procedure, timelines, or the committee's membership. The policy also says it is reviewed annually by HR and approved by the leadership team [policy.pdf p.2].
